PRESSEMITTEILUNG

05.11.2021

As of Friday, the state's Corona hotline will also be available in English, Turkish, Arabic and Russian

From Friday (5 November), the staff of the state's Corona hotline will also provide information in English, Turkish, Arabic and Russian. With this initiative, the Ministry of Social Affairs, Health and Integration is stepping up its information campaign and also wants to reach people who do not yet speak German or do not yet speak it very well.

The hotline 0711 / 410 11160 is available Monday to Friday from 9 a.m. to 5 p.m. It provides answers on topics related to the Corona virus - such as uncertainties about tests and compulsory testing, vaccinations, quarantine, entry into Baden-Württemberg or other current regulations.

Information is also available in various foreign languages on the state's website www.baden-wuerttemberg.de and on the vaccination campaign website www.dranbleiben-bw.de.
